

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

February 19, 2013

In November 2004, the Board of Supervisors authorized the creation of the Education Coordinating Council (ECC). The Education Coordinating Council's mission is to raise the educational achievement of children and youth served by the Department of Children and Family Services and the Probation Department so that they may have positive futures.

The Council meets three times per year at various centralized locations that are convenient to stakeholders, community members, and advocates dedicated to improving education outcomes for our County's children and youth. On December 18, 2012, the Board approved the motion to waive parking fees to participants for the February 14, 2013 meeting. The meeting has now been moved to April 4, 2013 at the Hall of Administration.

I, THEREFORE, MOVE THAT THE BOARD waive parking fees for up to 50 vehicles in the amount of \$1,000 excluding the cost of liability insurance, at the Music Center Garage for Council participants attending the ECC Meeting on April 4, 2013.
